VACANCIES

Lüderitz Waterfront Development Company (LWDC) is a fast-growing public enterprise. The company was established to drive the economic revival of the harbour town of Lüderitz and the ǁKharas Region. As Lüderitz becomes a focal point for large-scale development, LWDC provides the facilities that support this growth and is presently driving flagship projects aligned with NDP 6 and Vision 2030. LWDC promotes Government's development mandate by initiating targeted interventions, stimulating the economy, making an impact and improving the living conditions of Namibians.
